

EQUALITY AND DIVERSITY POLICY

PURPOSE OF THE POLICY

Yeovil College wholeheartedly supports the principles of equality and diversity and opposes all forms of unlawful or unfair discrimination on the grounds of race, ethnic or national origin, gender, gender re-assignment, disability sexual orientation, religion or belief, age, marital status, family responsibility, pregnancy or maternity, trade union activity or unrelated criminal convictions.

The Equality Act 2010 places a positive general duty on all Further Education Institutions to promote equality and eliminate unlawful discrimination, harassment or victimisation on the grounds of protected characteristics (age, disability, race, religion or belief, gender, gender re-assignment, sexual orientation or pregnancy and maternity).

Yeovil College will:

- eliminate unlawful discrimination, harassment, victimisation, bullying and any other conduct prohibited by the Act;
- advance equality of opportunity between people who share a protected characteristic and people who do not share it;
- foster good relations between people who share a protected characteristic and people who do not share it.

We will endeavour to remove or minimise disadvantages suffered by people due to their protected characteristics and meet the needs of people with protected characteristics;

We will also encourage people with protected characteristics to participate in public life or in other activities where their participation is low.

Yeovil College is committed to recognising and promoting actively equality and diversity within our community. We wish to provide a working and learning environment that acknowledges the richness of diversity and recognises the positive contributions of men and women of different social backgrounds, cultures, religions, abilities, ages and sexual orientation.

Yeovil College seeks to ensure equality of opportunity and treatment for all persons in relation to all of its activities, such as the recruitment and employment of staff, consultants and contractors, the provision of educational opportunities, and the provision of training and other services to individuals and organisations.

The College recognises the existence of institutionalised discrimination, including institutional racism and is committed to making changes in any area of College practice where there is evidence of failure to provide an appropriate and professional service. It is committed to closing equality gaps in relation to learner outcomes and employment issues.
