

FEES POLICY (FE) 2018-19

PURPOSE OF THE POLICY

This policy details how Yeovil College will establish fee levels for courses from Entry level to Level 3 funded by the Education and Skills Funding Agency (ESFA) and those courses where the college receives no government funding which are referred to as "Full Cost" provision. This policy details the circumstances in which fees are chargeable by the college for provision of services and also details financial support available to learners.

1. SCOPE

- 1.1 The details of the intended course fees for 2018/19 are set out below; the Fees Policy is reviewed annually and fees will increase appropriately.
- 1.2 The Fees Policy does not apply to commercial, partnership or subcontracted provision, which is negotiated separately.
- 1.3 All applicable fees must be paid when enrolling onto the course. For full time further education courses, fees are payable at the start of each academic year.
- 1.4 The college may, at its discretion, vary fees and charges in line with market conditions and special initiatives. Variations can only be authorised by the Vice Principal Finance & Resources.

2. GENERAL FEES

- 2.1 Full Cost Fees: the college reserves the right to charge premium fees on individual programmes where market demand and/or cost justifies (within the appropriate funding body parameters) and similarly to reduce/waive fees in exceptional circumstances. Authorisation must be obtained from the relevant Director of Curriculum.
- 2.2 Examination and Certification Fees: will be charged at the time a learner enrolls. These are non-refundable.
- 2.3 College Resource Fee: This £30 fee will apply for all students enrolling on a full time study programme (16-18 and 19 year olds). The fee is payable at enrolment and is non-refundable. The fee will include £10 worth of printing credits, which for black and white A4 printing will equate to 200 copies; extra print credits will be available to purchase if required. The remainder of the resources fee will support the college's very successful learner common room "The Spot", the extensive Learning Resource Centre, on-line resources and unlimited enhanced Wi-Fi. The college resource fee may be paid from the college bursary if applicable.
- 2.4 Other charges: may apply to individual courses and will be identified separately. These are not refundable. Details are shown in Annex 1.
- 2.5 Tuition Fees: will be charged annually and must be paid when students enrol onto the course except for learners that apply for an advanced learner loan or learners enrolling onto a course of more than one year; these fees will be collected in full in the first year. Tuition fees may be waived as outlined in the following sections.

3. UNDER 16 LEARNERS

- 3.1 Individual learners under the age of 16 for whom no approval for funding has been given and who seek to enrol on a college course will normally require a letter of support from their school or educational psychologist. The school (i.e. the Local Authority for maintained schools) or parents will be required to pay a fee based upon the income that the college would have received from the appropriate funding body.
- 3.2 The standard fee for a full time learner in 2018/2019 undertaking a normal programme will be the full funding rate enhanced by programme cost weightings. Where appropriate, weekly, daily and hourly rates will be calculated pro-rata to the total planned hours for the programme. Any additional costs which may be incurred over and above a normal programme will be charged in addition to the basic fee rate.
- 3.3 Some Key Stage 4 pupils will be attending Yeovil College on a part time basis (and in a minority of cases on a full time basis) as part of our partnership with local secondary schools and the alternative provision programme. The funding for these learners will either be direct from the school or other referring agency or through the alternative provision programme.
- 3.4 Under no circumstances should an under 16 year old learner be enrolled on to any course, during school hours, without the approval of the Vice Principal Curriculum and Quality.
- 3.5 Learners under 16 wishing to join a non-subsidised course must pay the full cost of the course along with a parent/guardian who would also have to pay and attend the course. Permission must also be obtained from the appropriate Curriculum Area Manager.

4 FEES FOR LEARNERS AGED 16-18

- 4.1 Tuition fees, materials, examination and registration fees are not generally chargeable to 16–18 year old learners as defined in the ESFA's funding guidance. The exceptions to this are where the equipment purchased will belong to the learner (e.g. knives for catering learners) or where additional courses are being offered that are not directly funded by the ESFA. Fees can generally be charged to 16-18 year old learners undertaking non-EFA funded courses. The 16-18 age category relates to the age of the learner as at the 31st August of the appropriate academic year and therefore a learner who commences a two year learning aim at the age of 18 will not be liable to pay fees when they enrol on to their second year (aged 19). Note that this may not apply to learners enrolling onto level 3 subsidiary, 90 credit, 120 credit or extended diplomas of one year duration as these are categorised as individual learning aims in their own right.
- 4.2 16-18 Year old learners that are enrolled on a programme of study at a school should not enrol on single subjects at the College. The ESFA expects that these learners are enrolled onto all subjects at their school.

5. ADULT LEARNERS (19+) STUDYING FURTHER EDUCATION COURSES

- 5.1 Adult co-funded learners enrolling onto courses at Yeovil College will be charged tuition, exams, materials and possibly certification fees at enrolment. Learners are deemed to be classified as adults if they are aged 19+ on the start date of their learning aim, the following adult learner classifications may be eligible for tuition, examinations and materials fee remission (i.e. eligible for full funding).

- 5.2 Learners aged 19 or older at the start of their course (including units) up to level 2 in receipt of one of the following:
- Job Seekers Allowance (JSA) – The required evidence for this waiver is a Job Centre form, College fee remission form or a bank/cash point statement indicating that a JSA payment has been made into the relevant learner's bank account. This evidence should be dated within three months of the course start date.
 - Employment Support Allowance in the Work Related Activity Group (ESA WRAG) – The required evidence for this waiver is a Job Centre form, College fee remission form or a bank/cash point statement indicating that an ESA WRAG payment has been made into the relevant learner's bank account. This evidence should be dated within three months of the course start date.
 - Universal Credit (UC) – The required evidence for this waiver is a Job Centre form (which must include evidence of being in one of the following groups: all work related groups, work preparation group or the work focused interview group), College fee remission form or a bank/cash point statement indicating that a UC payment has been made into the relevant learner's bank account. This evidence should be dated within three months of the course start date; learner's job centre evidence must confirm which group is appropriate.
 - Learners are released on temporary licence (RoTL) and studying outside a prison environment and not funded through the Offenders' Learning and Skills Service (OLASS).
 - Learners with learning difficulties or disabilities with an Education Health Care Plan (EHCP).
 - Note that Universal Credit will eventually replace JSA and income related ESA.
- 5.3 Learners aged 19+ enrolling up to a level 2 course and are in receipt of a state benefit limited to ESA Income Related/Work Related Support Group, Council Tax Benefit, Housing Benefit, Income Support and Disability Living Allowance (Or PIP), who want to enter employment and believe skills training will help them do so. This will be subject to course eligibility, self-declaration and benefit evidence and is at the discretion of the college. *Note that Universal Credit will eventually replace housing benefit, income-related Employment and Support Allowance (ESA), income-based Job Seeker's Allowance (JSA), child tax credit, working tax credit and income support.* Learners that are currently claiming universal credit that replaced child tax credit and working tax credit will not be eligible for fee remission.
- 5.4 Learners aged 19+ that are enrolling onto a functional skills English or Maths course or GCSE English and Maths course where the learner has previously attained a grade D (new grade 3) or below.
- 5.5 Learners aged 19-23 enrolling onto an entry or level 1 qualification (Excluding English, Maths or ESOL) who have previously not undertaken a full level 2 qualification but need a step up from basic skills in order to progress to a full level 2 qualification.
- 5.6 Learners aged 19-23 enrolling on their first full level 2 qualification.
- 5.7 Unemployed learners aged 24+ enrolling onto a full level 2 qualification.

6. FEES FOR LEARNERS AGED 19-23 OR 24+ STUDYING BELOW LEVEL 3

- 6.1 For learners aged 19-23 or 24+ at the start of their course and are studying below Level 3 and do not fall within a category within section 5, the fee for Full Time ESFA funded courses in 2018/2019 will be £1,550 for each year of the course payable at the start of each academic year. If a learner withdraws from a two-year programme in the first year, the learner is still liable for the fees for the second year.
- 6.2 For Part Time ESFA funded learners that do not fall within a category within section 5, fees will be set at 50% of the weighted funding rate.

7. FEES FOR LEARNERS AGED 19+ AND STUDYING LEVEL 3 AND ABOVE

- 7.1 Funding for 19+ learners that plan to enrol onto Level 3 and above qualifications will apply.
- 7.2 Learners aged 19-23 enrolling on their first full level 3 qualification may be eligible for fee remission dependant on the learner's self-declaration and review of their previous qualifications.
- 7.3 Learners aged 19-23 enrolling on their first full level 4 qualification may be eligible for fee remission dependant on the learner's self-declaration and review of their previous qualifications.
- 7.4 Learners aged 19-23 enrolling onto their second level 3 qualification must apply for an advanced learning loan to cover the fee element of the course; fees will not be remitted for this category of learner. Learners that do not want to apply for a loan can pay the weighted funding rate course fees themselves if desired.
- 7.5 All employed or unemployed 24+ learners enrolling onto a level 3 qualification must apply for an advanced learning loan to cover the fee element of the course; fees will not be remitted for this category of learner.

The fees for advanced learning loans learners will not exceed the weighted funding rate unless approved by the Vice Principal Finance & Resources. For more information on Advanced Learning Loans please refer to the ESFA's Advanced Learner Loans Funding Rules 20178 to 20189 document or visit <https://www.gov.uk/advanced-learner-loan/overview> This does not apply to ex-military personnel.

The fee charged will be for the planned duration of the qualification (with fee adjustments for learners that have studied some elements of the learning aim previously e.g. 90 credit/Extended Diploma learning aims).

Learners enrolling on to level 3 courses that require a loan must apply for their loan via the government loans portal before enrolment and evidence the approved loan application at enrolment. Learners who do not have receipt of an approved loan will need to supply evidence to the Student and Customer Services team within 30 days of the commencement of their course. It is the learner's responsibility to ensure a loan is applied for; failure to do so may mean that the course fee is retrieved from the learner.

8. INTERNATIONAL FE LEARNERS

International learners are generally non EU nationals and those learners who have not been resident in the EEA for 3 years prior to the start of the course or are nationals from outside of this area with "Permanent Leave to Remain" without restriction. Non EEA or Swiss Nationals require Immigration Sponsorship and a Certificate of Acceptance of Studies (CAS) from Yeovil College to present to the UK Border Agency (UKBA) as part of the entry requirements to the UK. Detailed information can be found at <https://www.gov.uk/browse/visas-immigration/student-visas>.

All international FE learners are required to pay a non-refundable application fee of £1000 when their application offer has been approved.

International Higher Education learners are required to pay a non-refundable fee of £1000 prior to the confirmation of a place and provision of a CAS to progress a visa application. The costs associated with the learner attaining an appropriate Student Visa for entry into the United Kingdom will be carried by the learner. More information on these costs can be located at <https://www.gov.uk/browse/visas-immigration/student-visas>

It must be noted that learners from outside the EU or EEA who do not hold "Permanent Leave to Remain" can only apply for Full-time Further and Higher Education programmes which are 15 hours per week of in-class study (or greater). The programme must be for a general duration of over 1 academic year (depending on circumstances). Applicants must also demonstrate the appropriate English Language qualification to meet UK Visa and Course entry requirements – which are specified in course details, but equates to a minimum of IELTS 6.0/6.5.

- 8.1 The learner must have the necessary finances as detailed in Yeovil College's Tier 4 Points Based System Policy Guidance. This must be open to demonstration at the time of application for sponsorship through Tier 4 licence procedures.
- 8.2 The Full Time Further Education course fees for 2018/2019 are £7,500 for each year. The Full Time Higher Education course fees for 2018/2019 are £9,500 for each year.
- 8.3 A deposit of 50% is required upon acceptance of an offer of a place for both Full & Part Time FE. The remainder of the fee must be paid prior to the commencement of the course unless the learner enters into an instalment agreement with the college. Refer to Section 11.
- 8.4 The Part Time Further Education course fees for 2018/2019 are £16.50 per hour. This also applies to full cost courses. Refer to section 11.
- 8.5 All fees paid are non-refundable, unless entry to the UK is denied. In such cases 95% of the learner's deposit will be refunded .
- 8.6 If additional learning support is required this will be chargeable additional to the international fee above.
- 8.7 All Higher Education course fees both direct and non-direct are listed on the college website. A deposit of 50% is required upon acceptance of an offer of a place for Full Time HE provision. The remainder of the fee must be paid prior to the commencement of the course unless the learner enters into an instalment agreement with the college (see Section 11).
- 8.8 For further information on International learner conditions and procedures, please contact the Student & Customer Services Team.

9. SUPPORT WITH COSTS

- 9.1 Bursary Support Funds are available to support students who are assessed as being in need of financial assistance on either full or part-time funded courses. Please refer to our Student Support Funds Policy.

10. OTHER

- 10.1 Apprenticeships: In May 2017, the government reformed the way that employers contribute to the funding of apprenticeship provision, employers will now contribute to funding apprenticeships from their main levy pot if they have an annual wage bill greater than £3m or contribute 10% to apprenticeship funding if they have 50+ employees and an annual wage bill of less than £3m, employers with less than 50 employees and an annual wage bill of less than £3m **who have an apprentice aged 16-18** will have the 10% contribution waived.

Employers that are interested in exploring apprentice options with Yeovil College should contact the Employer Engagement team directly.

- 10.2 Full Cost Recovery Courses: these should be fully costed and make a contribution to overheads plus a surplus in accordance with the current Employer Engagement Fee Paying Guidelines.
- 10.3 Late starters: these learners should be charged the full fee if they start after the course has commenced.
- 10.4 External Candidates: a charge of £100 in addition to the exam fees will be made to any candidate whom the college enters for an examination and who is not a registered learner of the college. The college reserves the right to refuse any such entry.
- 10.5 The college reserves the right to vary any fee levels to enable it to respond to exceptional circumstances, individually negotiated contract opportunities, or market conditions.

11. PAYMENT OPTIONS

- 11.1 All appropriate fees must be paid at enrolment. However, to assist learners who would otherwise suffer financial hardship in paying their fees in one sum, fees over £250 may be paid by instalments.
- 11.2 Learners can opt to pay their course fees for the academic year by a maximum of 4 instalments, however additional instalment payments may be considered by the Head of Finance. The first instalment must be paid and all instalment paperwork must be completed and agreed at the time of enrolment. The remaining instalments will be taken over the next 3 consecutive months by direct debit. All instalment plans will be prepared to ensure fees are settled in full in line with the agreed payment schedule before the end of the course.
- 11.3 If an instalment is declined or cancelled, the college reserves the right to withdraw the learner from the course and the full outstanding amount will become payable.
- 11.4 Payment options are not available to companies, or for amounts owed under £250.
- 11.5 Where payment is made by instalments, and a learner has started the course then withdraws before the whole fee has been collected, any amounts outstanding remain payable and will be collected by the College. This includes HE courses which have been funded by the Student Loans Company. If an advanced learning loan application is successful and the learner later withdraws from their course, the learner will become liable to the college for all fees outstanding.
- 11.6 The College will pursue all debts owed to them and utilises the services of a debt collection agency where necessary.

12. REFUND POLICY

- 12.1 If the College cancels a course it will contact the learner and automatically refund the fees paid by the learner for that academic year.
- 12.2 If a learner withdraws due to a serious medical condition or other exceptional circumstances, the student must write to the Head of Finance attaching a medical certificate or other supporting documentation as evidence. It is anticipated that this will only apply to a very small number of learners.
- 12.3 If a learner withdraws from the course after the course start date or does not attend the course they have enrolled on after the first 28 days, they **may** be eligible for a refund of fees proportionate to the length of the study programme and costs incurred by the College, including tuition, material, registration and exam fees.
- 12.4 Learners in receipt of an advanced learning loan are liable to pay full fees for the current year of study (the loan only covers the period of attendance).
- 12.5 Due to the short duration of Just for fun, First Steps, Next Steps and Further Steps courses, (Night school) these course fees are non refundable unless the college cancels the course.
- 12.6 Where an application for a refund is declined by the Head of Finance, the Head of Finance will advise the learner directly.
- 12.7 If a learner wishes to appeal, they must write to the Vice Principal Finance & Resources within 14 days of receipt of notification of the refund refusal.
