

Stanchester Academy win Ladies Football tournament

Stanchester Academy win the Ladies Football tournament against Holyrood Academy with the score 2-1 on the College campus. The year 9 and 10 school students took part in the tournament on the 13th of April against Ansford Academy, Bucklers Mead Academy and Holyrood Academy for an award of Yeovil Town Football Club tickets to a home match.

Stanchester Academy recently won all 3 of their league games which were down to the strong line up of their players that also represent Yeovil Town Ladies Football Club.

Both teams made some excellent saves which played a big part in the final score outcome.

Yeovil College students on the Yeovil Town Football Club scheme took the lead in organising and managing each of the matches. The learners study a Level 3 BTEC in Sport at Yeovil College whilst training with Yeovil Town Football Club alongside their programme.

The Yeovil College students on the Yeovil Town Football Club scheme were thrilled to be taking part in the Ladies Football tournament and were impressed with the high level of skill that the girls played within the matches.

Sam Samyan, 17 from Bristol one of the Yeovil College students on the Yeovil Town Football Club scheme said 'I was pleased to take part in the Women's Football tournament and I'm glad to see that more women are playing football.'

Matt Hann, Curriculum Area Manager for Sport at Yeovil College said 'This year the Yeovil College Football Academy players have been the most successful college in Somerset in each both the men's and ladies leagues. Yeovil College is incredibly thankful for the support from the Western Gazette and Yeovil Town FC who have both proudly sponsored this event.'

Yeovil College thank all the teams that participated in the tournament and the winners Stanchester Academy congratulations on their highly deserved award of Yeovil Town Football Club tickets.
