

POLICY ON THE ADMINISTRATION OF STUDENT SUPPORT FUNDS

PURPOSE OF THE POLICY

Bursary Support Funds are allocated by the Education and Skills Funding Agency (ESFA) to provide additional support to learners aged 16 and over, who are experiencing financial difficulty with meeting the costs associated with learning. These funds are allocated through a means tested system. Funds are allocated in 5 categories:

- 16 - 19 Guaranteed Bursary (ESFA)
- 16 - 19 Discretionary Bursary (ESFA)
- 19+ Adult Discretionary Learner Support including Childcare (AEB)
- Advanced Learner Loans Bursary (ESFA)
- Free Meals (within the 16-19 categories) (ESFA)

SCOPE

The Bursary Support Funds support students who are between 16 and 19 and assessed as being in need of financial assistance on either full or part-time funded courses. Young people must satisfy the residency criteria as stated in the document ESFA 16 to 19 Education Funding Guidance 2018/19.

The Adult Discretionary Learner Support Fund supports students who are over 19 and assessed as being in need of financial assistance on a full or part-time course. Students must satisfy the residency criteria as stated in the *ESFA Adult Education Budget Funding Rules 2018/19*.

The Advanced Learner Loans Bursary supports students who are studying a course funded by an Advanced Learner Loan.

Free Meals advice is set by the Education and Skills Funding Agency (ESFA) and cites colleges' requirement to provide free meals to disadvantaged 16 to 18 year old students in further education (FE) funded institutions.

Funding Agreements have been amended and extended to place a legal duty on further education institutions to comply with requirement to provide free meals. Young people must satisfy the eligibility criteria as stated in the document *Free meals in further education: Departmental advice for further education funded institutions*.

The Support Funds do not support students who are participating on a waged apprenticeship programme or who are receiving assistance from specified Government schemes. The Support Funds do not support learners participating in Higher Education courses.

RESPONSIBILITY AND AUTHORITY

The fund responsibility lies within the Student and Customer Services Team and is monitored by the Head of Student Data and Funding.

The fund allocation is administered in accordance with current ESFA Funding Guidance and College Policies and Procedures.

All applications will be considered on a first come, first served basis. Being eligible does not guarantee funding.

Financial assistance is awarded for the duration of the student's course subject to the continuing availability of funds and there being no change in income available to the student. A financial assessment will be carried out each year.

Monitoring whilst on programme

The Bursary scheduled monthly payments will be conditional on the student meeting expected standards:

- Attendance of at least 90% (unless there are exceptional medical or other extenuating circumstances). Positive attendance types are: / = present and L = late.
- Behaviour which meets the Respect at College Policy.

If such standards are not met, payments may be suspended. Students have the right to appeal against any non-payment through their tutor.

Appeals

The College operates an appeals process against assessment and non-payment decisions. Students who wish to appeal against an assessment decision can do so in writing to the Student and Customer Services Officer. The assessment appeal will be investigated and a decision confirmed by email within 5 working days.

Students who wish to appeal against a non-payment decision relating to attendance/behaviour can do so by contacting their tutor, within 3 weeks of the non-payment. Details of any special circumstances which apply will be discussed with the Student and Customer Services Officer and a decision confirmed by email within 5 working days.
