

THE 'PREVENT' STRATEGY

Prevent is one of the Government's counter-terrorism strategies. It aims to stop people becoming terrorists or supporting terrorism.

It aims to provide practical help to prevent people from being drawn into terrorism and ensure they are given appropriate advice and support

- P** – Promotion of Equality and Diversity and positive relationships between students
- R** – Referral of any concerns via safeguarding staff to relevant authorities
- E** – Education for students on specific courses e.g. Public Services, Politics etc. and tutorial
- V** – Vetting and removal of any posters or other materials of an extremist nature
- E** – Environment – a safe and secure site with CCTV, sufficient security procedures and online filters
- N** – News monitoring for any concerns in the locality
- T** – Training of staff to raise awareness of the signs and risks

Yeovil College is a safe place to learn and we intend to keep it this way!
